Pentarch Forestry Services (Tas) Pty Ltd offer a complete management service to provide owners who do not have the means to harvest or market their plantations. Our experienced statewide staff will ensure that the return on plantation investment is maximized. Pentarch Forestry Services offers competitive market pricing and a stump to market solution which includes a comprehensive reporting system that tracks every load that leaves the property.

PENTARCH FORESTRY SERVICES offer a total management program covering –

- Softwood and Hardwood purchases.
- Chipwood marketing.
- Forest management reporting.
- Invoices and Payment.
- Harvesting and Haulage systems.
- Solid wood export.
- Specializing from stump to market.
