

Brief instructions on how to generate a map from LISTmap for Certificate of Titles or PID Numbers listed in Public Notices

As at 30th July, 2018.

Maps of Certificate of Titles or PID Numbers can be created via general public access to the LIST.

- Go to www.thelist.tas.gov.au
- Select LISTmap
- In “maps” red search field enter either Certificate of Title number (i.e. 152336/5) or PID number (i.e. 3169194)
- New map should be generated, select “Basemaps” drop down menu on top right of screen and select “Tasmap”, selecting this option gives you a better map view.
- Property and boundary lines are identified in Red.
- Select “tools” drop down menu on top left of screen, then select “map tools”, then print button, select ok to print out map.

This procedure is repeated for each Certificate of Title or PID number.
