HFP is a wholly owned Tasmanian forest management company that provides independent forest management advice and services to landowners.

Owners Howard Calvert and Adrian Calder have a combined 60 years forestry experience in Tasmania, services provided state-wide include;

- Plantation advice and valuations
- Forest Practices Plans
- Harvesting and marketing, specialising in thinning operations
- Native Forest management
- Plantation conversion
- Silvicultural services
- AFS certification for harvesting operations.

For independent advice contact HFP for a prompt and professional service.
